In over twenty years of our journey, we have successfully transformed ourselves from innovative Fund Managers to now being **"Your Life Planners"**, a claim that we can proudly exercise. Our enriching experience of providing Robust Financial & Investment Solutions to our niche clientele has yield them phenomenal profits in growing their investment portfolios to the next level. Our expertise to cater a wide range of services like Mutual Funds, Bonds, Equities, Annuities, Corporate Finance and Insurance along with Investment and Banking related products has been more accurate than ever. We support Millennials, Beginners, HNIs, Corporates & Retail Giants to ensure their plans turn to reality.

We strongly believe that Leaders can be friend, Friends can be partners, Partners can be entrepreneurs and Entrepreneurs can be Leaders again. We call it the green cycle. Green defines care, nurture & growth. Embedded with these root qualities, is our company - Leader Care. Now, **"Your Life Planners"**.

At Leader care, we also offer International Investment options based upon the client's need as the tool for diversification based on scientific analysis of an individual's profile. We are smarter than the smartest when it comes to research, advice & sales, thus making the growth inevitable for Individuals & Institutions. On the other end, we serve the most valuable senior citizens with our advice on their retirement planning, asset allocation and to affluent investors with other financially beneficial services.

At Leader Care, we manage approximately Rs. 3000 crore of Individual & corporate money in Mutual Fund, Equities, Fixed Income, PMS & AIF for our clients spread across globally.
